Installation/Laying

1. Screwing and/or gluing with suitable adhesive on sustainable surface.
2. The profile is retrofitted after laying of the flooring. If the flooring is to be cut on the profile, we recommend our profile types 701 – 705 and 709.
3. For further information, please do not hesitate to contact Küberit at +49 2351 9507 0 or fax at +49 2351 9507 200. Our installation guideline videos can be found on YouTube.
